Reference: October Monthly Report (9/1/06 – 9/30/06)

Dear Mr. Toomey:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule E of your report discloses multiple Calendar Year-To-Date Per Election for Office Sought totals for the 2006 General election for Washington Senate, 2006 Primary election for Rhode Island Senate, 2006 General election for Maryland Senate, 2006 General election for Idaho House District 01, 2006 General election for Colorado House District 07, 2006 General election for Colorado House District 05, 2006 General election for Arizona Senate, and 2006 General election for Nebraska House District 03 which appear to be incorrect. FEC calculations disclose this amount(s) to be \$2,399.70, \$516,038.03, \$3,011.13, \$2,037.33, \$9,714.26, \$207.36, \$210.92, and \$222.92, respectively. These figures are calculated by aggregating the total amount expended during the calendar year, per election, per office sought. Please amend your report to clarify these discrepancies.

-Schedule B supporting Line 21(b) discloses negative disbursements to your connected organization totaling \$9,185.98 for "pulls from advance for i.e.(s) line 24." However, the sum of entries paid to your connected organization on Schedule E, supporting Line 24 of the Detailed Summary Page totals \$10,159.45. Please be advised that in order to avoid inflating your total disbursements for the period, you must itemize as a negative

entry on Schedule B any draw on an advance payment made to your connected organization. Please amend your report to clarify this apparent discrepancy.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694- 1157.

Sincerely,

Laura E. Sinram
